Dear Susanne,

11/2/23

I emailed you quite some time ~~ago~~ about a quote from one of your interviews (this is John Wooten). Appreciate the clarification. I'm writing you (hopefully to a good mail address) because your work ~~was~~ is very inspiring and influential. Thank you for the quality reporting you've done on the inner workings of our investing systems. Nothing but best wishes for you.

It's Not Personal

People's reactions or opinions of me
are really not about me at all.
People tend to project their own
insecurities or fears onto one
another. So, when someone speaks
unkindly to me, I'll remember they
have something going on that has
nothing to do with me.
